

Integrated Pest Management Program

Department of Plant Science and Landscape Architecture
UConn Extension

Greenhouse Pest Message, November 9, 2022 Leanne Pundt, UConn Extension

In my travels, **poinsettias** are finishing well with low whitefly pressure this year. Some were shorter than desired, but timely applications of the PGR Fascination helped.

Easter 2023

Easter falls on a mid-date in 2023 of **April 9th**. Mid-date Easter Lily schedules are the easiest to for growers to manage.

For more see the [2023 University of Connecticut Easter Lily Schedule](#).
